Principal's Report:

The soccer season has come to a close. It was a very exciting season to be a spectator. The final Falcons record stands at 0 wins, 6 losses and 1 tie. The final standings are not a true reflection on how hard our student athletes performed.

On September 16th grades 4, 5 & 6 where invited to once again participate in the 36th annual NH Scottish Highland Games. This event exposed our students to the culture of Scotland. Dancing, Music, Pipes & Drums, Sheep dog demonstration, as well as Athletics' were just a few of the activities our students had an opportunity to see and participate in.

On September 19th voting took place for this year's Student Council. Congratulations to our elected members.

The following students have been elected:

President Luke Merluzzi

Vice President Parker Hogan

Secretary Sam Crane

Treasurer Carly Merluzzi

Grades 5/6 Rep. Rebekah Crane

Grade 7 Rep. Ricky Farrell

The results of last year's Science NECAP testing for grades 4 & 8 have arrived. Wentworth students over all did fairly well. All our students fell in the range of proficient or partially proficient.

On October 12th & 13th students (and staff) in grades 7 & 8 embarked on the annual AMC trip to Crawford Notch for an outdoor education program. Students learned about the changing season, habitats of animals, animal identification, GPS training as well as hiking in the White Mountain national forest. A very nice learning experience.

Principal's Report

Keith Charpentier distributed and reviewed his report.

On November 3rd, students in grades 5 & 6 headed to Concord, NH to the McAuliffe Shepard Discovery Center. This was a nice trip to study the stars.

On November 12, three of our middle school students competed in the FLL (First Lego League) Robotics Competition at Bishop Brady High School in Concord, NH. This was WES' first time competing and they should be very proud of themselves. Keith Charpentier expressed how proud he was of the students. It was a long day and they had 3 rounds of competition. Each round they bettered themselves. They came in 13th place out of 17.

This year, Mr. Gagnon will be the basketball coach. Practices start tomorrow, November 15th. The first game is scheduled for December 8th. Good luck, Falcons!

The non-perishable food drive has come to a close. I'm proud to announce WES exceeded its goal of 250 items.

To celebrate Red Ribbon Week, students in all grades worked with Mrs. Fauteux during art classes to paint pumpkins showing they are drug free. Along with that, a power point presentation was viewed during Morning Meeting talking about remaining drug free.

The school board approved Marisa Delhay to fill the 3rd grade teaching position for the remainder of the school year. She has done a wonderful job and we are happy to have her with us.

The 8th grade class is working very hard on fundraising. The goal is to raise the funds in order to travel to Washington, DC for their class trip. They have raised over \$1,400 towards their goal so far. Steve Davis offered to donate his board stipend to the class for their trip. Discussion ensued.

Privilege of the Floor

Angela Kenneson-Comeau reported that there are two Wentworth Elementary students in the Plymouth State University Education Collaborate play called *The Wild Swans*. She reiterated to the Board and Keith Charpentier that she would like to continue seeing meeting reminders in the monthly newsletters. She stated that she attended a Pemi-Baker Regional School Board meeting and Steve Davis may want to get in touch with Ross Deachman regarding information on the NCLB key points.

Angela stated how disappointed she is in the Board with their behavior at meetings. The side conversations, rolling eyes with comments from the floor and just staring is very unprofessional. She feels if the Board cannot work together then they need to step down.

Deb Gelsi stated how she feels the attitude from the Board is condescending. It makes people not want to participate. The Board works for the public and the school should be run based on the public's wishes. She feels the public should be treated with respect.

Deb wanted to give kudos to Erin Newton and Keith Charpentier. Her daughter was struggling with math and they have been working with her. She is doing much better. Thank you for your help.

Deb wanted to let the Board know there was an issue on the bus with her daughter and other students being called names. Keith resolved the issue that same day and there haven't been any other issues. Thank you.

Deb wanted to recognize three students in the Plymouth Huskies Cheerleading. They will be going to the New England Regionals. They are: Becca Crane, Sage Haring and Cassandra Gordon.

Marnie Kozak asked how many students are needed to commit to the winter program. Keith Charpentier stated that at least 40 students are needed. Steve Davis asked what the cost is to parents for their child to participate. Keith stated that it is \$49 for six weeks of lessons. If rentals are needed, then it is an additional \$49 for the rentals. Steve Davis suggested checking into other ski areas for prices. Keith Charpentier stated that it is late in the season to check other places. Parents have been informed about the program because it has been in the weekly announcements. Discussion ensued.

Principal's Report:

On Wednesday November 17th around 163 community members and friends gathered @WES for the annual Thanksgiving Lunch. It was a wonderful time to celebrate the holiday with community members as well as faculty, staff & friends.

WES exceeded its goal of 250 non – perishable food items to donate to the Warren / Wentworth food pantry. Thanks to all that helped. The 8th grade class at the lunch gave a check for \$57 as part of a donation. These funds were taken out of a fundraiser they did to help support their own class trip. This was a very nice community event.

On Wednesday November 30th students in grades 3-8 participated in a program entitled “college is possible”. Lee Waldvogel from NHHEAF, (New Hampshire higher education assistance foundation) met with students to discuss thinking about their future and the many different types of higher education. It was a very interactive program and I found students to be engaged.

On Saturday December 3rd members of the Wentworth and Russell Elementary Schools performed in the Plymouth Town holiday parade. What a nice treat too see them march.

I would like to report that we have the numbers needed (41 students) for the winter program. The deadline for payment is December 16th. From there we will see if the funding is in place to continue.

The meeting was called to order at 1:00 pm by Francis Muzzey, seconded by Steve Davis. All were in favor.

The first order of business was the ratification of 2012-2014 Wentworth Education Association contract by the School Board. Kathleen Mack made a motion, seconded by Steve Davis to ratify the 2012-2014 Wentworth Education Association contract. Francis Muzzey voted no. He stated that he wanted his three reasons for his no vote in the minutes of the meeting:

1. The medical insurance is discriminatory.
2. There is no cap on teacher training/courses line in the budget.
3. He does not agree with a multi-year contract.

The second order of business was discussion on the FY 2012-2013 budget.

Angela Comeau expressed her concern that the meeting was being held during the day at 1:00 pm at the Wentworth Town Office Building.

The School Board reviewed draft #2 of the budget line by line.

Additions:

- \$8,000 to the preschool line. Mr. Charpentier presented new information he had regarding a special education preschool student who was moving to Wentworth this year.
- \$900 to the library books line.
- \$50 to election services printing line.
- \$1,050 to the lawn mowing service line.

The School Board had additional questions for Mr. Charpentier of various increases in lines of the budget. He will bring information regarding the increases to the Monday, February 13 School Board meeting. There were additional questions raised regarding the lease of copier, school treasurer salary and miscellaneous expenses lines, information technology services, and capital reserve. These questions will be answered at the Monday, February 13 School Board meeting.

There will be a draft #3 of the FY 2012-2013 budget for the February 13 School Board meeting. The School District Budget hearing will follow the School Board meeting.

2. Other Business – On April 2, 2012 WES received notification that they will receive \$2,808 in grant funds for the Fresh Fruit and Vegetable Program.

Privilege of the Floor – Marni Kozak asked the school board what the plan is for next year in the 3rd and 4th grade classroom. Mr. Davis noted the board does not have an answer at this time, possibly next month.

Francis Muzzey feels that grant figures he had asked for do not add up with previous numbers he received. He also feels as though he was lied to last year when deciding teachers and assignments as to whether or not the teachers had any input on the matter. He believes the teachers should have a say and asked if contracts had been handed out and if any decisions had been made. The board has not delivered contracts or made any decisions at this time.

Kenyan Karl expressed concerns that there are times when planning board and school board meetings conflict. The board explained that they do meet on the second Monday of every month unless there is a holiday.

1. Head lice policy - after discussion there will be a second reading at the June meeting.
2. Physical Exam Policy – after discussion there will be a second reading at the June meeting.
3. Preschool Update - additional students making it necessary to adjust the budget. The board may need to schedule a special non-public meeting for this issue.
4. Other Business – Keith announced that WES has received the grant for next year for the Fresh Fruit and Vegetable Program.

Bids for mowing were reviewed by the board. Mr. Davis made a motion to accept the bid from Oikle and Sons at \$2,250, seconded by Ms. Sullivan. All were in favor.

Dr. Gaides noted that at the April meeting the SAU was accused of error in reporting on grants. In response she states that there had in fact been no error in that the total costs for the grant had been disclosed and that anyone

seeking a copy of the grant may obtain one from the SAU office. Dr. Gaides looked into a check that had been in questions last month. The check in question was for water testing and there were 4 invoices (1 for each test). Instead of writing 4 checks to the same vendor all invoices were totaled and issued in one check. Dr. Gaides was able to write a grant for re allocation of title I funds for WES. This will allow WES and the board has approved the purchase of laptops and provide a Title I teacher for summer school, separate from special education summer school. Through electronic vote Mr. Davis made a motion to approve the reallocation of Title I funds, not to exceed \$8,500, seconded by Ms. Sullivan. Mr. Davis made a motion to reaffirm the electronic vote, seconded by Ms. Sullivan. All were in favor.

Privilege of the Floor – Marni Kozak noted the date for the school board meeting was incorrectly noted in the Principal’s report as 5/8 as well as in the newsletter. She asked if anyone at the school at any time received any scholarship information regarding Barry Conservation Camp. To date that has not happened. The board advised Ms. Kozak to look into it as the school would be happy to encourage such a program. Ms. Kozak also asked if the board new of the grade configurations for next year. At this time the board does not have an answer.

Francis Muzzey inquired about a \$5,000.00 wood bill. He also asked why Title I was available to every student. Dr. Gaides explained that due to poverty levels WES is a school wide school. Mr. Muzzey asked what the reallocated Title I funds for. He asked how long minutes could be sealed. The board responded that the minutes could be sealed indefinitely. Mr. Muzzey referred to a letter he received from Dr. Gaides and wanted to address Dr. Gaides and the board that there was no intent to question Dr. Gaides’ authority or grant writing, only the source of the numbers. Mr. Muzzey also noted he received a letter from the board that had no signatures. The board noted that it had been signed electronically. Mr. Muzzey feels the administration holds information from the town. He will determine through his own means teachers’ salaries and post his own findings. He added that he would like to make sure that there is teacher input with decision making for next year.

Phoebe Sanborn asked if the information for next year's Title I funds are in yet. Dr. Gaides reported that allocations from Federal to State are in, but as of yet the State has not allocated to school. Mrs. Sanborn wanted the board to know that with the reduction of teachers she felt it important that WES does have math and reading support.

Claims and Payroll – claims and payroll signed by the board.

5 th 6 th 7 th & 8 th :	Mr. Gagnon teaching Math & Science with Mrs. Byers assisting Mr. Blake teaching English & Social Studies with Mrs. Clark assisting

Mrs. Kozak made it explicitly clear she does not want an aide to teach her children that she feels only a teacher is qualified to teach her children.

Ms. Sullivan explained that an aide is not teaching they will be implementing the curriculum designed by the teacher. Mrs. Kozak disagrees whole heartedly with this method.

Ms. Gelsi asked for the breakdown of class room teaching for the 5/6 and 7/8 curriculum. The board explained that 5th and 6th would be taught the core subjects separately from the 7th and 8th grade.

Ms. Gelsi also stated her strong dissatisfaction with the first reading of the Visitor's Policy, stating she does not feel parents should be barred from the school or disallowed to observe a classroom or eat lunch with her child. Mrs. Kozak agrees with Ms. Gelsi's statements.

Mr. Muzzey noted he is adamantly opposed to parents evaluating teachers.

Mrs. Kozak asked the board when Mrs. O'Brien would be available for consultation. The board replied she would be available in August. Mrs. Kozak requested the board please ask Mrs. O'Brien to contact Mrs. Kozak as soon as possible.
