Sunny Ouellette from Rumney talked with Selectmen about collecting TV monitors. He was hoping the town could combine with other towns to accumulate enough to make it worthwhile for a vendor to pick up the items. In combining Rumney & Wentworth, TV's would need to be wrapped. He will collect more information about quantities. Eugene said he receives approximately 30/year plus approx 30 computers. It is a storage problem for small towns. NRRA is the vendor. Sunny will come back with more info.

Lisa Sanborn discussed her overdue taxes. Made a payment today and will provide a written statement for future payments.

Roy Coleman talked to Selectmen also about overdue taxes. He would like to make a payment of \$200/mo. He will review this again in six months.

Ellie reported she would not be in favor of letting the out of town music groups use the Town Hall again. One chair was broken, the music was very loud, and foul language was used.
