Agenda Review and Disposition – Addition of discussion regarding petition for Special School District Meeting correspondence.

Discussion - A response was given to the Selectmen regarding a petition for a special school district meeting. The school board states that it refused to call the meeting. The following reasons were given:

1. The school district meeting has no statutory authority to establish the date for the annual school district meeting. RSA 197:5 gives the school board the authority to decide when the annual meeting will be held, subject to the other statutory requirements for the date of the meeting.
2. A vote by the special meeting to require that the school district meeting be held on the same date as the town meeting would have no legal effect.
3. Undertaking the expense of calling a special school district meeting for a vote that will have no legal effect would not be a wise expenditure of school district funds.

Mr. Palmer Koelb asked that the refusal to call the meeting be put in writing by the school board chair. Mr. Morrison said that it would be available to Mr. Koelb on October 23rd.

Minutes of September 10, 2007 – Mrs. Mack motioned, seconded by Mr. Morrison to accept the minutes of September 10, 2007.

To date, they have collected 197 items.
The Open House on October was well attended. The school is using some of their title grant money ($5,500.00) to purchase a music instrument library. Also, the after school homework club began on October 9th and it is funded by a $3,850.00 grant.

On a motion by Mr. Morrison, seconded by Mrs. Mack, the Board voted to approve the principal’s report.

The budget hearing meeting was called to order at 6:04 PM by Lee Morrison.

Each line of the 2008-2009 budget was discussed. Enrollments, grade configurations and percentage of special education students were shared with the public. Discussion ensued regarding kindergarten, special education services, library and technology services, bus transportation, the School District Building Capital Reserve Fund and the need for a Warrant Article of $10,000 to be added to the School District Building Capital Reserve Fund, and projected capital expenses.

On the revenue data sheet, as of 6/30/2007, Wentworth had an unreserved fund balance of $36,769. This is treated by the NH Department of Revenue Administration as income for the following school year 07/08, and as a result, the tax rate is set to raise this much less from the taxpayers for that school year. Approximately half of the above mentioned balance was the result of savings realize on the mechanical renovations completed at the school. Given that this amount is reflected as revenue for 07-08, and there is no corresponding revenue projected for 08/09, the District Assessment will increase by this amount.

At 7:45 PM, it was moved by Mr. Morrison, seconded by Ms. Sullivan to adjourn the budget hearing. The vote was unanimous.

To see if the School District will vote to approve the cost items included in the recently negotiated collective bargaining agreement reached between the Wentworth School Board and the Wentworth Education Association which calls for the following increases in salaries and benefits:

<table>
<thead>
<tr>
<th>Year</th>
<th>Estimated:</th>

<td>2008-2009</td>

</tbody>
</table>

and further, to raise and appropriate the sum of twenty-one thousand four dollars ($21,004) for the 2008-2009 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at the current staffing levels paid in the prior fiscal year. Correspondence – none

Discussion Items— Mr. Korade, SAU #48’s Information Technology Director addressed the Board and public regarding computer policy and personal laptop concerns. It was noted that it would cost $6,000-$8,000 to set up the infrastructure to support personal laptop use by students at the school. It is not recommended at this time. Updated computer policies will be addressed by Mr. Korade at the SAU #48 May meeting and then brought to the Wentworth School Board for review.
