## WPD Activity Report

12/18/2018-01/01/2019

---

The WPD conducted a department assist for the Concord Police Department regarding a service of a final order of domestic violence.

The WPD took two motor vehicle accidents reports over the last two weeks. The MVA's were minor single vehicle accidents with no reported injuries. Chief Trott also assisted NHSP Troop-F with a rollover accident which occurred on East Side Road on Christmas Day. There were no reported injuries in that MVA and state police handled the accident.

Chief Trott testified before the Grafton County Grand Jury regarding an indictment being sought for felony level drug charges stemming from an arrest in Wentworth. We were later notified that the indictment passed.

The WPD also conducted a department assist for the Tilton Police Department pertaining to the service of paperwork on a Wentworth resident regarding a criminal case in the Franklin District Court.

The WPD took part in a CAC interview pertaining to a reported sexual assault that reportedly took place in Wentworth this past year and was just reported. The matter remains under investigation.
