

**Wentworth Special Select Board
Meeting Minutes
March 13, 2021**

Those present: Arnold Scheller, Jordan King, Omer Ahern, Jeff Ames, Deb Vlk, Francis Muzzey and Linda Franz.

Called to Order: Arnold Scheller, Chairperson, called the meeting to order at 12:34pm.

The purpose of this meeting was to adopt the Wentworth Hazard Mitigation Plan, sign minutes from March 4, 2021 and March 9, 2021, and to discuss snow removal from Saunders Hill Road.

O.Ahern made a motion to adopt and sign the Wentworth Hazard Mitigation Plan. Seconded by J.King. All three voted in the affirmative, and the motion carried.

A concern from a landowner, Brent Shanty, regarding snow removal in front of his driveway on Saunders Hill Road Map 10 Lot 3-2 was discussed. It was decided that the Highway Department would plow as needed approximately one hundred feet beyond the landowner's driveway and plow snow onto a log landing above his property so that the plow truck can turn around safely and not block any neighbors' access. J.King will reach out to the owner of the log landing to seek permission to plow snow there.

A.Scheller made a motion to maintain snow removal on Saunders Hill Road for an additional one hundred feet past the property location Map 10 Lot 3-2. Snow will be plowed onto an existing log landing, pending permission from landowner. Seconded by O.Ahern. All three voted in the affirmative, and the motion carried.

This was Omer Ahern's last formal Select Board meeting. He stated that it was his distinct honor and privilege to have served the Town of Wentworth as a member of the Select Board. He expressed his thanks to the other Select Board Members, the Chief of Police, The Fire Chief, the Treasurer, the Administrative Assistant, and all others that he has worked with over the past few years.

O.Ahern made a motion to adjourn the meeting. Seconded by J.King. All three voted in the affirmative and the meeting was adjourned at 12:47pm.
